

Dear parent/gymnast,

For the new club tracksuit, our supplier has set up an SETC online account where you are responsible for ordering your own tracksuits and any other training kit you wish to purchase. This can be found on Elite Gymwear website under Clubs - Stoke Elite TC. This means you can purchase part of the tracksuit or the whole tracksuit at one time, an idea we hope works for everyone. The online shop will be split into categories: Squad, Coaches and Recreational. These areas will have both compulsory kit and optional kit to purchase (see in item description). You have the freedom to purchase what you want, when you want. Please note when ordering kit, you will have to enter the club squad code: **STOKE7 to receive 5% discount.**

All compulsory tracksuits will need to be ordered in time for 1st September 2017. However, if you choose to purchase earlier then please feel free. Our new tracksuits will be in place until early 2020, this is inline with the product change from the manufacture, Adidas. Note – The navy team trousers are compulsory for squad and not the navy team sweat pant.

Leotards male and female will be in place until the end of the 2019 NDP competition season. Boys need to then order stirrups to accompany the leotards. Please see Kate for sizing BEFORE ordering as we have some in stock to purchase.
