## **Nationals 2010 here we come!**

Nationals is the main event of the year at domestic level for any trampoliner; i.e. for those who don't compete internationally. It is held at the NIA in Birmingham and takes place over a whole weekend. Including; an orientation session to get used to the venue, competing and then for those who fall in the top 8, finals on the Sunday. This year we have the most competitors ever through to the nationals, 2 at FIG B level; Adam Whalan and Lucy Alcock and 6 at National C; Aaron Lymer, Molly Key, Laura Davis, Lewis Clay, Yasmin Birchall and Naomi Yates. This is a great achievement for everyone, and im sure you will all show your support.

## **Courses**

Lucy Alcock and Molly Key have recently passed their assistant coaching awards. Well done!

## **New Bouncers!**

- Ben O ' Connor
- Frankie Robertson
- Becky Whinstanley

## **Qualifications**

We have had 10 people moving up at least one level in the past two regional competitions, with Georgia Thompson and Matthew Wilcox now only one step away from national level!

## **Judges**

A big thank you to Kay Woolrich, Adam Whalan and Nikita Stribling for judging in the competitions through out the year, really great full as we would be unable to compete without you!

## **THANKYOU!**

Emma Wall from Altair trampolining club has kindly agreed to judge for us throughout the whole nationals weekend to thank us for helping Madison. Thank you very much! : )
