Sort Code: 309626

Costs:

Due to several enquiries regarding AB crystals we have decided to allow all parents to decide their crystal choice due to the price difference. All crystals used will be Swarovski. One is clear and one is AB. There is no difference in quality, only in the way the crystal shines. Please Google AB and Clear Swarovski crystals to see the difference.

CLEAR SWARVOSKI:

32" and below - £120

34" and above - £144

AB SWARVOSKI:

32" and below - £140

34" and above - £168

Many Thanks,
Kate & Louise
